

Protect Safety App Privacy Statement

This privacy statement applies to the treatment of personally identifiable information submitted by, or otherwise obtained from, you in connection with the associated application provided by AspIS Digital: "Protect - Safety App". By using or otherwise accessing Protect - Safety App, you acknowledge that you accept the practices and policies outlined in this Privacy Statement.

WHAT PERSONAL INFORMATION DOES ASPIS DIGITAL COLLECT?

We collect the following types of information from our users:

Personal Information You Provide to Us:

We may receive and store any information you submit to Protect - Safety App (or otherwise authorize us to obtain – such as, from (for example) your Facebook account). The types of personal information collected may include your full name, email address, demographic information, and any other information necessary for us to provide the Application services.

Personal Information Collected Automatically:

We receive and store certain types of usage related information whenever you interact with Application. For example, AspIS Digital may automatically receive and record information regarding your Facebook user ID and current location.

HOW DOES ASPIS DIGITAL USE THE INFORMATION IT COLLECTS?

Aspis Digital uses the information described in this Privacy Statement (i) internally, to analyze, develop and improve its products and services, and (ii) as set forth below in the "WILL ASPIS DIGITAL SHARE ANY OF THE PERSONAL INFORMATION IT RECEIVES?" section below.

WILL ASPIS DIGITAL SHARE ANY OF THE PERSONAL INFORMATION IT RECEIVES?

Personal information about our users is an integral part of our business. We neither rent nor sell your personal information to anyone. We share your personal information only as described below.

Agents: We employ other companies and people to perform tasks on our behalf and need to share your information with them to provide products or services to you. Unless we tell you differently, AspIS Digital's agents do not have any right to use personal information we share with them beyond what is necessary to assist us.

Business Transfers: In some cases, we may choose to buy or sell assets. In these types of transactions, customer information is typically one of the business assets that are transferred. Moreover, if AspIS Digital, or substantially all of its assets were acquired, or in the unlikely event that the company goes out of business or enters bankruptcy, user information would be one of the assets

that is transferred or acquired by a third party. You acknowledge that such transfers may occur, and that any acquirer of Aspis Digital may continue to use your personal information as set forth in this policy.

With Your Consent: You will be notified when your personal information may be shared with third parties, and will be able to prevent the sharing of this information.

THIRD PARTY APPLICATIONS/WEBSITES.

The Application may permit you to link to other applications or websites. Such third party applications/websites are not under Aspis Digital's control, and such links do not constitute an endorsement by Aspis Digital of those other applications/websites or the services offered through them. The privacy and security practices of such third party application/websites linked to the Application are not covered by this Privacy Statement, and Aspis Digital is not responsible for the privacy or security practices or the content of such websites.

WHAT PERSONAL INFORMATION CAN I ACCESS?

Aspis Digital allows you to access the following information about you for the purpose of viewing, and in certain situations, updating that information. This list may change in the event the Application changes.

- Facebook profile information
- User phone number and e-mail address
- Account and user profile information
- User preferences
- Application specific data

WHO CAN USE THE APPLICATION?

Our site and the services available through Aspis Digital are available for anyone who has a Facebook account. However users may be reported or identified by the system as potentially harmful for the Application's environment and can be removed from the Application's system until the case is investigated.

CHANGES TO THIS PRIVACY STATEMENT.

Aspis Digital may amend this Privacy Statement from time to time. Use of information we collect now is subject to the Privacy Statement in effect at the time such information is used. If we make changes in the way we use personal information, you will be notified. Users are bound by any changes to the Privacy Statement when he or she uses or otherwise accesses the Application after such changes have been first posted.

QUESTIONS OR CONCERNS.

If you have any questions or concerns regarding privacy on our website, please send us a detailed message at aspis.digital@gmail.com. We will make every effort to resolve your concerns.
